

WOULD USE TOBACCO AS A FERTILIZER

Revenue Department to Be
Asked if Manufacturers'
Tax Would Apply.

LEXINGTON, Jan. 15.—Low grades of tobacco may be manufactured into fertilizer, it was announced here to-day by John W. Newman, president of the Burley Tobacco Marketing Company, a subsidiary of the Burley Tobacco Growers' Association. Mr. Newman and Dr. Samuel H. Halley, a tobacco grower, warehouseman and banker, will leave here tomorrow for Washington to seek a ruling from the Internal Revenue Department on whether or not the manufacturers' tax of 18 cents a pound on tobacco affects tobacco manufactured into fertilizer.

Mr. Newman stated that his company was preparing to handle all of the low grade tobacco, to which American manufacturers would not bid.

Representatives of the company will be on all of the principal markets when they open Monday morning, prepared to take over the low grades, Mr. Newman said. These will be stored and warehouse receipts used as collateral at the banks to pay expenses. When the export market opens, it was stated, the tobacco will be offered to European buyers who use these grades.

CAFE OWNERS TO PRISON.

Held in Contempt by Judge Landis
by Selling Boose.

CHICAGO, Jan. 15.—John and William McGovern, cafe owners, were sentenced to-day by Judge Landis to serve two years each in the House of Correction and pay fines of \$2,000 on contempt charges brought by the Federal and State government.

Judge Landis recently enjoined them from violating the Volstead enforcement act and Federal agents testified that the McGoverns had violated the restraining order by selling liquor.

\$225,000 IN LIBERTY BONDS RECOVERED

One Bandit Killed, One Caught
and Four Others Sought
Near Dallas.

DALLAS, Jan. 15.—The recovery of more than \$225,000 in Liberty bonds and currency marked the investigation to-day in the robbery of a sub-post office station here last night. One member of the band of robbers, according to the police, is dead, another is in custody and four others are being sought.

The recovery of the Liberty bonds and money followed the arrest of W. S. Scrivner, who was found pinned under an overturned motor car near Fort Worth a few hours after the robbery. His companion, Pat Murphy, alias Arthur Clemens, alias W. W. Matthews, had been killed in the accident.

Scrivner, according to the police, confessed that he and Murphy, with four others, had taken part in the robbery, and he led the detectives to a cache near Fort Worth where they had secreted the loot taken from the registered mail pouches, with which they had fled in the automobile. The two had left their companions and were driving back to Dallas when their car was wrecked.

DEATH HOPE REALIZED.

Brothers Succumb Within Few
Hours of Each Other.

MIDDLETOWN, N. Y., Jan. 15.—Within a few hours of each other Albert Garner, 72 years old, and his brother, James H. Garner, 76 years, died to-day—Albert at his home near here and James at the Soldiers Home in Bath, N. Y. The coincidence of their dying at so nearly the same time is especially remarkable because both men have many times during the last few years expressed a hope that they would die together. So great was the regard of each for the other that neither felt he wanted to experience the shock of receiving the news of the death of the other.
